- 2. Failure to obtain a Land Use Permit amendment pursuant to Act 250 Rule 34(A)

ASSURANCE OF DISCONTINUANCE

Pursuant to the provisions of 10 V.S.A. § 8007, the Natural Resources Board (Board) and Mad River Park Corporation (Respondent) hereby enter into this Assurance of Discontinuance (Assurance), and stipulate and agree as follows:

STATEMENT OF FACTS AND DESCRIPTION OF VIOLATIONS

- Respondent owns approximately 84.83 acres located at Mad River Park in the Town of Waitsfield, Vermont (the Project Tract) that are subject to Land Use Permit series 5W0147.
- 2. Land Use Permit Amendment 5W0147-19 (the "Permit") authorized the Respondent to continue the ongoing extraction of gravel from the approved extraction area for an additional five years, and to continue to use portions of the gravel pit area for stockpiles and storage of materials for the next 20 years (the Project).
- 3. Condition 1 of the Permit states:
 - "The project shall be completed, operated and maintained in accordance with the plans and exhibits on file with the District Environmental Commission and the conditions of this permit."
- 4. Condition 2 of the Permit states:
 - "No changes shall be made in the design or use of this project without the written approval of the District Coordinator or the Commission, whichever is appropriate under the Environmental Board Rules."
- 5. Condition 6 of the Permit states:
 - "No further subdivision, alteration, and/or development of the tract of land subject to Land Use Permit #5W0147 shall be permitted without the written approval of the District Commission."

- 6. Condition 8 of the Permit states, in relevant part:
 - "The extraction of gravel shall be completed, and the area reclaimed and stabilized by October 15, 2009."
- Inspections by the Board's Enforcement Officer on November 19, 2015, and December 10, 2015, revealed that the Respondent continued gravel extraction well beyond the completion date of October 15, 2009, and failed to reclaim and stabilize the pit by that date.
- 8. The Respondent cleared a significant amount of tree cover beyond the limits depicted on the approved site plan, and had removed stumps, graded, and landscaped the site in preparation for new commercial development on the tract.
- 9. By failing to complete gravel extraction and reclamation by the permitted completion date, the Respondent failed to comply with Condition 8.
- 10. By commencing tree clearing, grading, and landscaping in anticipation of new commercial development on the tract without a Land Use Permit Amendment, the Respondent violated Conditions 1, 2, and 6. Such activities constitute a material change to the permitted project without a permit amendment, in violation of Act 250 Rule 34(A).
- 11. Respondent has failed to comply with permit conditions of Land Use Permit 5W0147-19.
- 12. Respondent failed to obtain a Land Use Permit amendment pursuant to Act 250 Rule 34(A) prior to the tree clearing, grading, and landscaping.
